16. **INTERNAL RISK FACTORS**
- Our future profitability and cash generation depend on the successful execution of our business strategy and our ability to deliver targeted operational and financial performance.
 - Our long-term growth depends on timely innovation and our ability to respond to evolving customer requirements
 - Disruptions in our supply chain or shortages of key raw materials could adversely affect our production and results of operations
 - Failure to strengthen product positioning and product differentiation may reduce demand, which may in turn adversely affect our revenues and profitability.
 - We may face information technology related and cybersecurity risks which may disrupt operations and compromise data integrity.
 - Inability to attract, retain and develop a skilled manpower with critical skills and capabilities will impact our ability to deliver innovative products.
 - Pending or future legal proceedings may adversely affect our operations and reputation.
 - As our restated consolidated financial statements have been prepared by a peer-reviewed Chartered Accountant, namely N.K.S. Chauhan & Associates, who is not our Statutory Auditor, there is a risk relating to consistency and potential regulatory scrutiny.
