Press Release

02 April 2026

**IRM ENERGY LIMITED
COMMISSIONED 150TH CNG STATION**

Ahmedabad, April 02, 2026: IRM Energy Limited (BSE:544004) (NSE: IRMENERGY), announced that it has reached a significant milestone with the commissioning of its 150th Compressed Natural Gas (CNG) station at Banaskantha on Tuesday, March 31, 2026.

During FY26, a total of 39 CNG stations have been commissioned.

This achievement reflects our strong commitment to strengthening green energy infrastructure in our authorised geographical areas and driving the transition towards sustainable and eco-friendly transportation solutions.

As we continue on our growth trajectory, we remain dedicated to expanding our footprint in the Geographical Areas expeditiously.

ABOUT IRM ENERGY LIMITED

IRM Energy Limited (IRMEL) is an Indian City Gas Distribution (CGD) company engaged in supplying CNG (Compressed Natural Gas) for the transport segment and PNG (Piped Natural Gas) for Domestic, Commercial & Industrial customers. It operates under authorizations granted by the Petroleum and Natural Gas Regulatory Board (PNGRB). IRM has authorization for 4 Geographical Areas (GAs) namely Banaskantha (Gujarat), Fatehgarh Sahib (Punjab), Diu & Gir Somnath (Gujarat) and Namakkal & Tiruchirappalli (Tamil Nadu). CNG remains the primary growth driver, contributing ~60% of volumes.
